RAILROAD CROSSING CLOSURES

SCHEDULED TRACK REPAIR

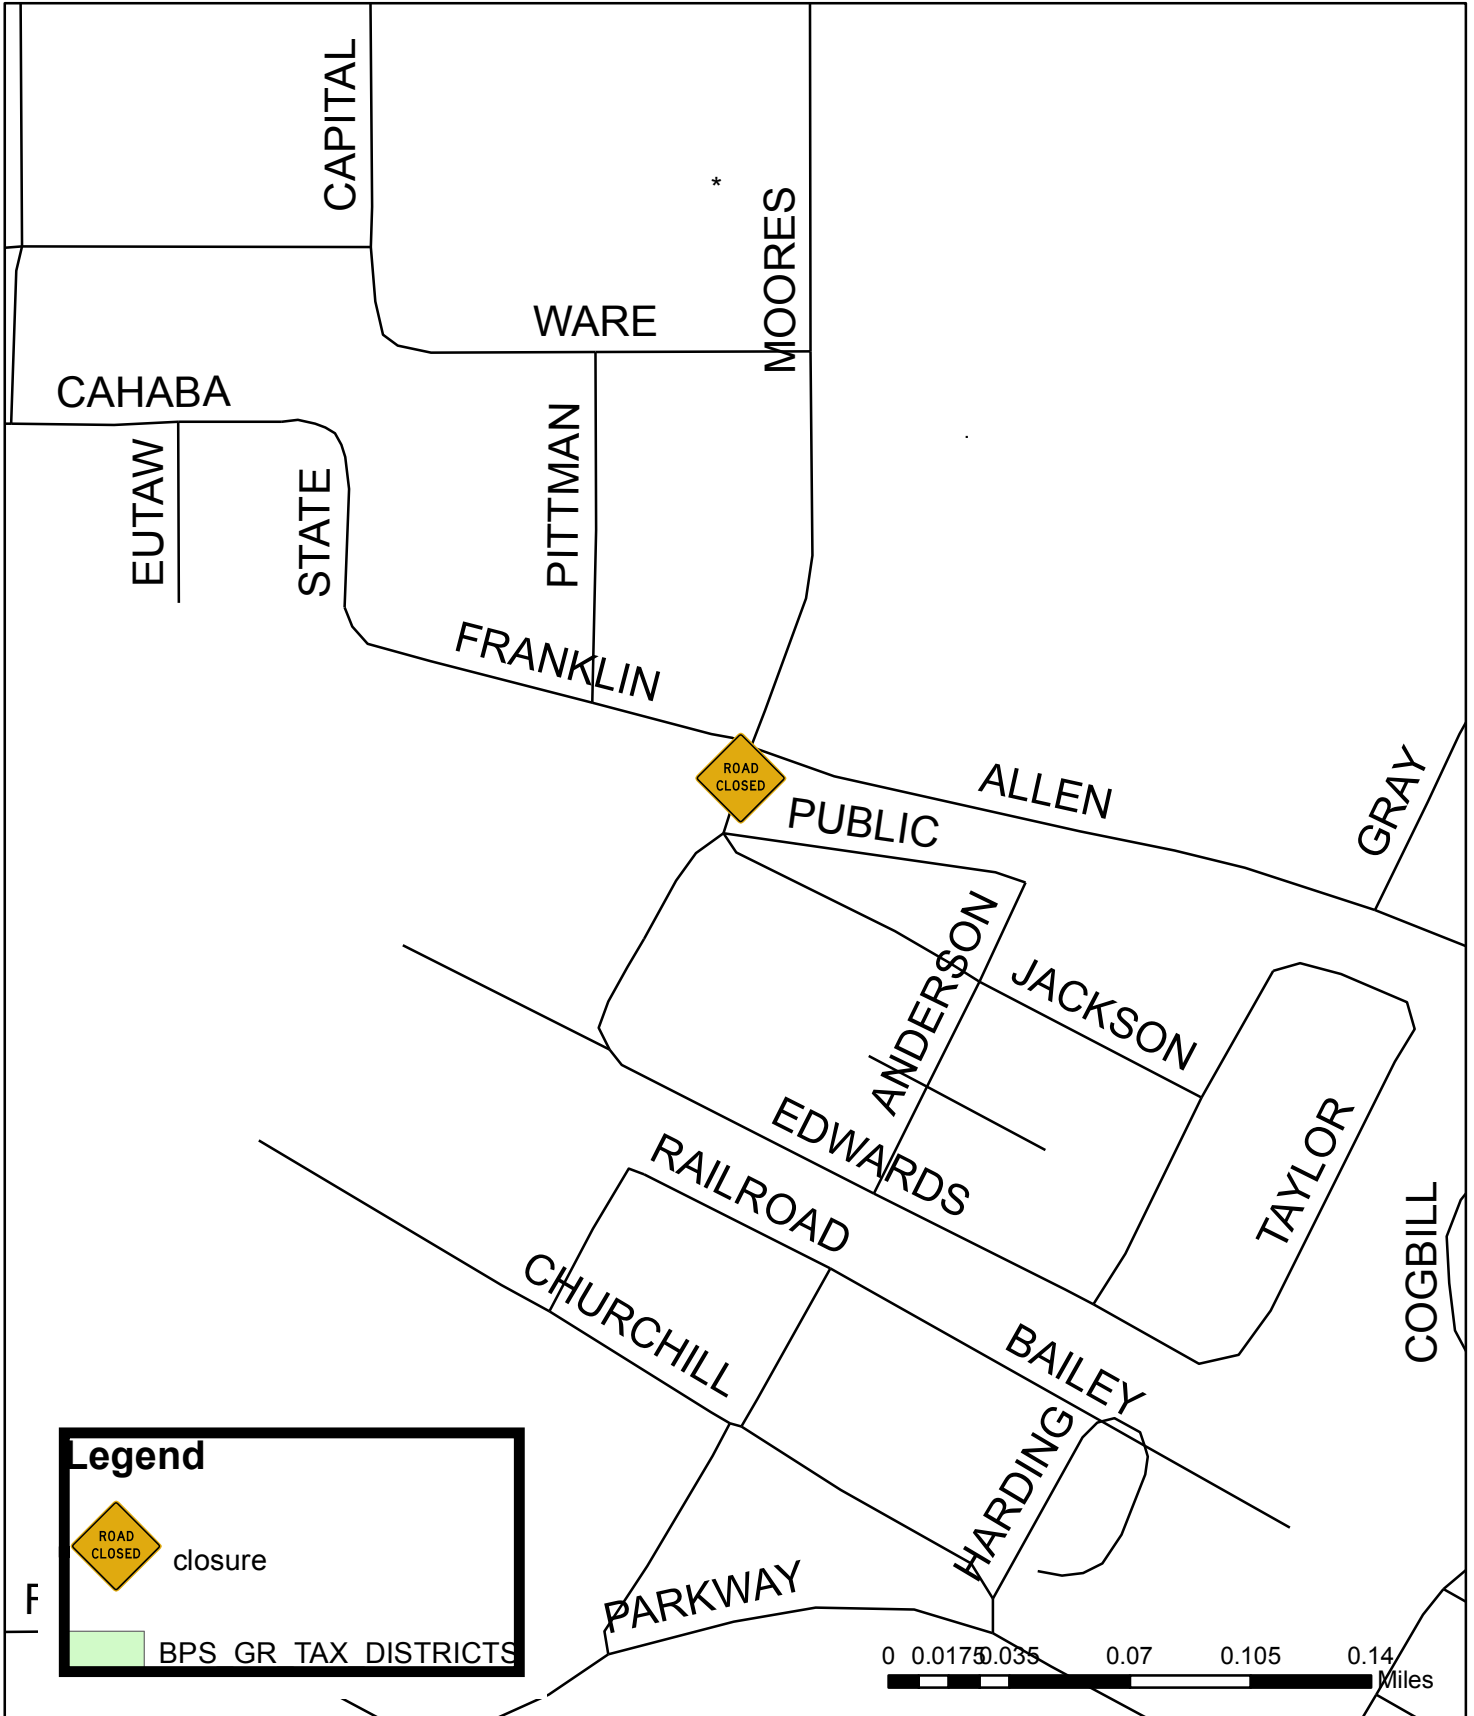

NORFOLK SOUTHERN – NORTHERN TRACK

December 1, 2015:

- Beginning On Monday, December 7, 2015, Norfolk Southern will begin a Tie and Surfacing repair on its northern track system in the City of Leeds. This work will result in the closure of crossings on a rolling basis beginning at Moore's St and then east to 8th St, 9th St and Hwy 25 (Dunnavant Road). The exact date and time of each crossing closure is unavailable and will be determined by track work progress. Please be prepared to use an alternate route.
